

QUALITY POLICY

1 It is Quikjet Cargo Airline Pvt Ltd policy to provide the highest standards of quality service to our customers by constantly striving to improve our standards, thereby maintaining our position as a leading provider of Air Cargo services.

2 The procedural aspects of this policy are covered in the Company's Maintenance Organisation Exposition and its associated manuals. It is the responsibility of all concerned managers to implement the Quality Policy and procedures set out in these manuals, so as to ensure that these are understood and maintained by all members of staff and contractors through regular training. These procedures ensure compliance with the quality requirements set by DGCA.

3 Quality is not the sole responsibility of the Quality Department. It involves all employees in the company and its contactors. It is the responsibility of every individual in the company to comply with this policy, cooperate with Quality Control and Quality Auditing Staff in the execution of their duties and to strive to improve quality standards at every opportunity.
